

GALENE

DESCRIPTION: Galene, formerly “Seivadis” is a traditionally styled 18m cruiser, the perfect venue for a casual cruise or party around beautiful Sydney Harbour. With expansive entertainment deck, saloon and bar, Galene was originally launched as one of the finest private motor yachts on the Harbour & still retains that charm & character.

Galene has a sound system on board that you can plug and play music through using an AUX Cord.

While guests are unable to swim from Galene, we can happily arrange a stop at the ideal swimming location Clifton Gardens, simply let us know.
